Rooms that are tiny can be tricky to decorate but they can also be a lot of fun. So when a client challenged us to give her pocket size space a summer makeover for under \$500 dollars, we just couldn't say no. Transforming a very small space doesn't have to blow your budget. Small things like finding a vintage piece of furniture from a relative or adding a fresh coat of paint to your own dated items can add a stylish splash to any abode.

“It’s not what we don’t know that gets us in trouble. It’s what we know for sure that just ain’t so.”

Articles & Bookmarks

When it comes to the most common way to get a good night's sleep, the answer is simple: go to bed. But for many people, the idea of going to bed is a daunting task. It's not just the physical act of falling asleep, but the mental clutter that often accompanies it. The good news is that there are many ways to improve your sleep hygiene and get a good night's rest.
